MASTER CLASS 2004:

Wednesday 7th– Sunday 11th of July.

The Master Class is aiming at professional and non-professional Carillonneurs and students from all over the world. Besides the workshops and the recitals the individual tuition (for the active students) concentrates on a repertoire given by the teachers on beforehand combined with pieces chosen by the students. Each student can be taught by two different teachers, and this on every course day.

Course is open for a maximum of 20 active students and for a number of passive students as well. The passive students may attend as many lessons as they like.

Anyone applying for the course will receive a detailed repertoire list.
